

**Can you identify these world icons?**

These are terms that were published in newspapers to describe these icons.

Gash of shame, degrading ditch, wailing wall, nihilistic slab of stone, open grave -----

**The Vietnam Memorial in Washington, DC**

Giddy, ridiculous, confused, deformed, barbaric bulk, ghastly dream, useless and monstrous -----

**The Eiffel Tower in Paris, France**

Gigantic stone, colossal patch, hideous, terrifying, monstrous -----

**The Sagrada Familia Cathedral in Barcelona, Spain**

Tawdry, garish, hideous, sentimental schlock, vulgar, ostentatious, ghoulish -----

**The Never Forgotten Memorial, Green Cove, NS**
