Subject: RE: Never Forgotten National Memorial

Dear Mr. Stapleton,

Thank you for your email about the Never Forgotten Memorial. Our Caucus received a passionate presentation from the organizers this week.

I am always in favour of paying tribute to those who fought for our country and to those who made the ultimate sacrifice in service to Canada. I am mindful of the significant contributions Nova Scotians have made to our nation's armed services and grateful to all men and women who service our country.

While this is an issue for the federal government to decide ultimately, we are following it with great interest.

I want to take a moment to thank you for all your efforts to pay tribute to those we have lost but will never forget. It is a true act of patriotism.

Sincerely,

Hon. Jamie Baillie, FCA, MLA
Leader of the Opposition
